

# SC2500

## Simply the best value color ID card printer

### Single feed for on-demand printing

The ScreenCheck SC2500 printer features a single card feed that enables you to produce a personalised card on demand in moments. Edge-to-edge and sharp image quality for simple and easy card printing in a compact and highly reliable package.

### Rewrite technology

Using special rewrite cards, the SC2500 color ID card printer can print and erase the same card over and over in mono-chrome blue or black, ideal for visitors passes and temporary badges.

### Budget friendly and secure

The ScreenCheck SC2500 printer delivers low cost printing and free card visual security as standard with four HoloKote® watermark designs. Security can be further enhanced with magnetic stripe and smart card encoding options.

### Robust, compact and portable

The ScreenCheck SC2500 printer's aesthetic curves showcase an ultra-robust product. Its light and compact design makes it easy to transport to any location and reside on any counter or desktop.

#### Standard features

#### Optional features

#### Free 2 year limited depot warranty\*

\*Available in the EU, North America and other selected territories. Elsewhere 1 year minimum limited depot warranty.

#### SC2500 is ideal for:

Enterprise identity applications.
