

BADGEMAKER MIGRATION "CLASSIC" TO "NEW"

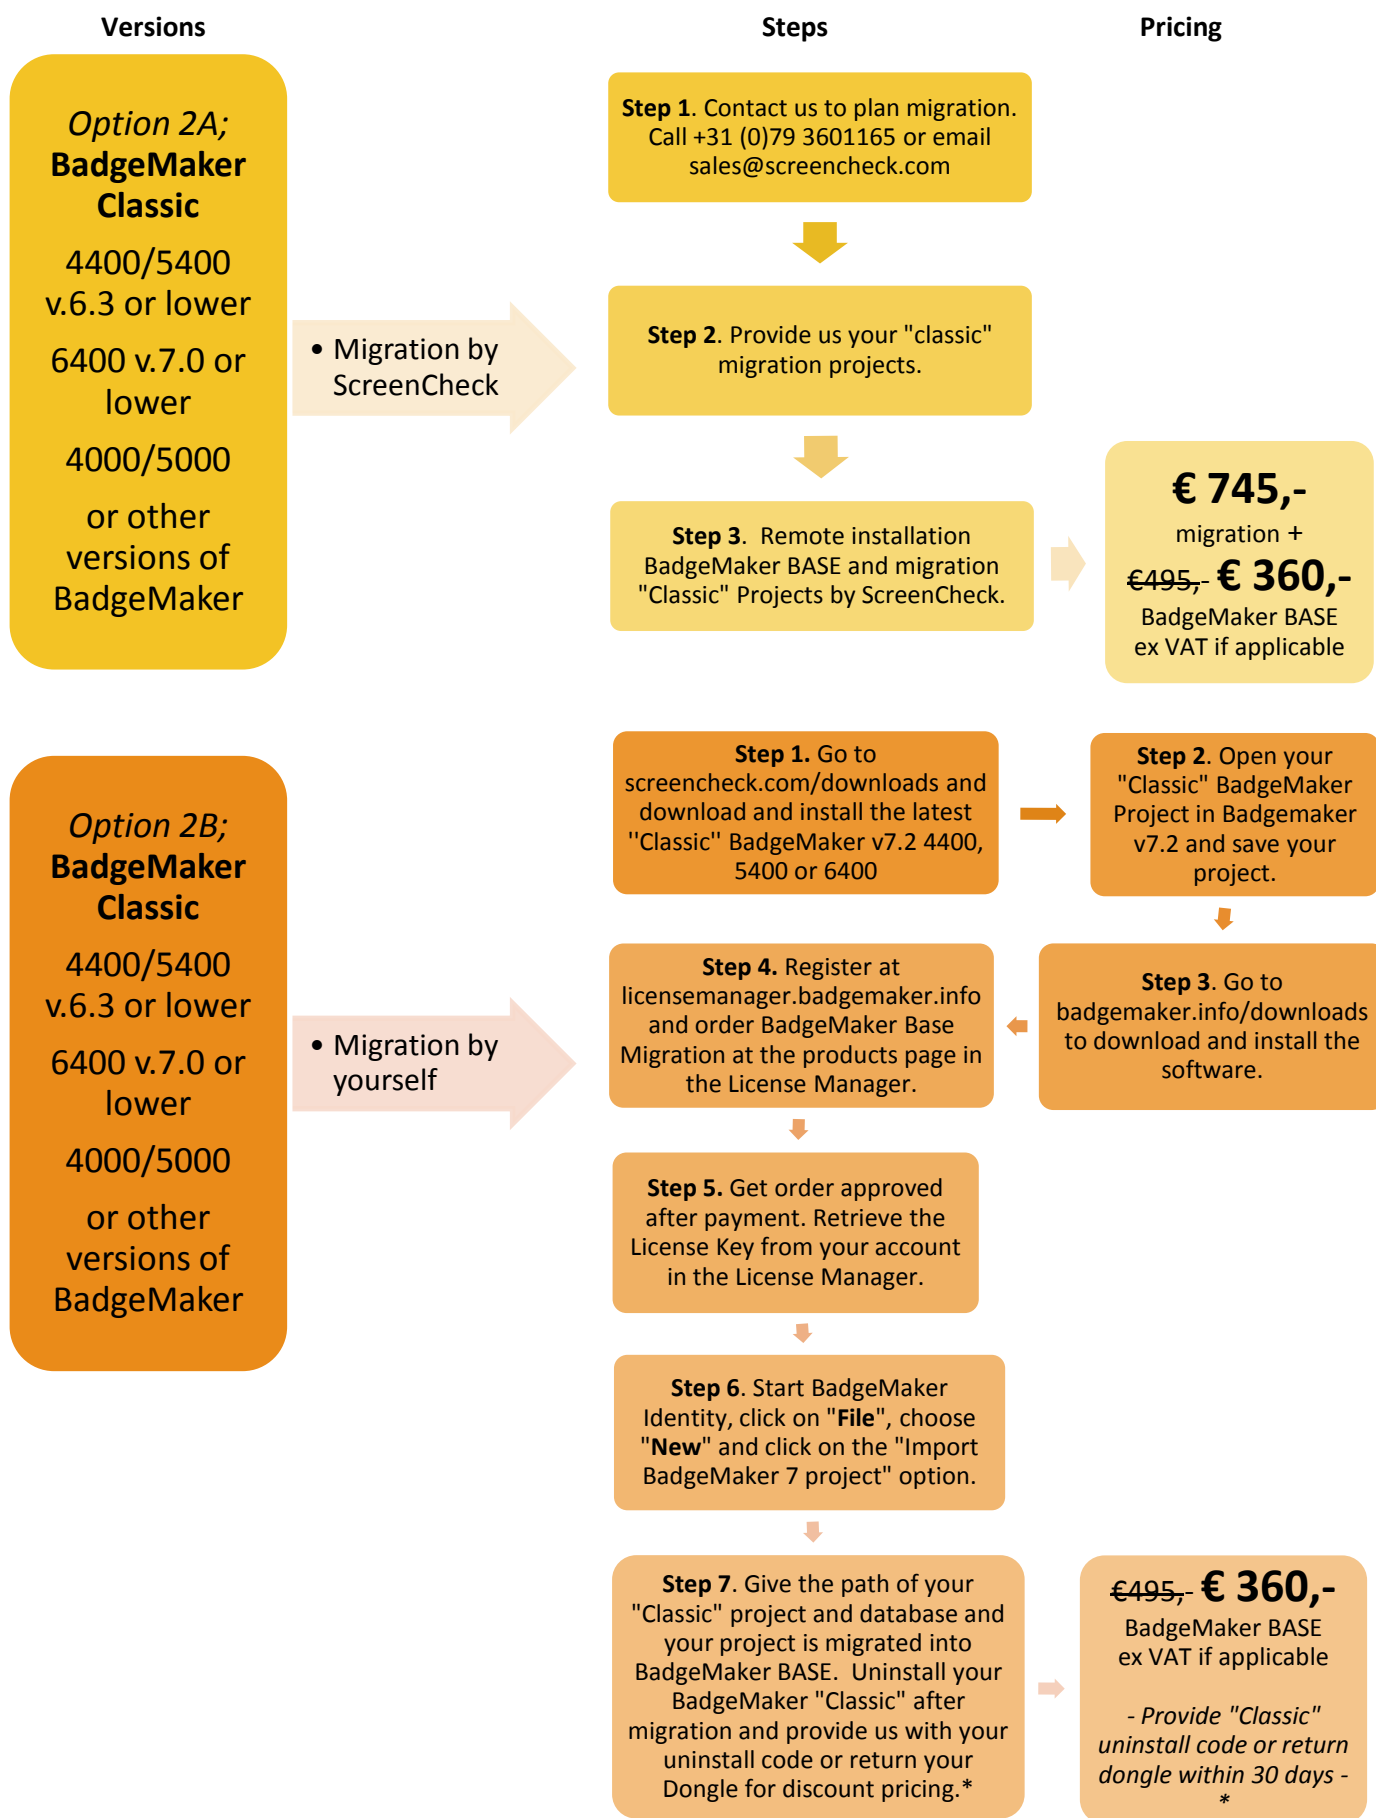

BadgeMaker is well known in the ID card production market. As strong and multifunctional as BadgeMaker "Classic" software is, one should never hesitate to innovate. Today, ScreenCheck is proud to present the "New" BadgeMaker software. It's fast, intuitive and designed to be familiar to those who have been working with BadgeMaker for many years. In addition, the new BadgeMaker has some exciting new features.

Migrate in a few steps from "Classic" to the "New" BadgeMaker BASE.
