# BADGEMAKER PLAY

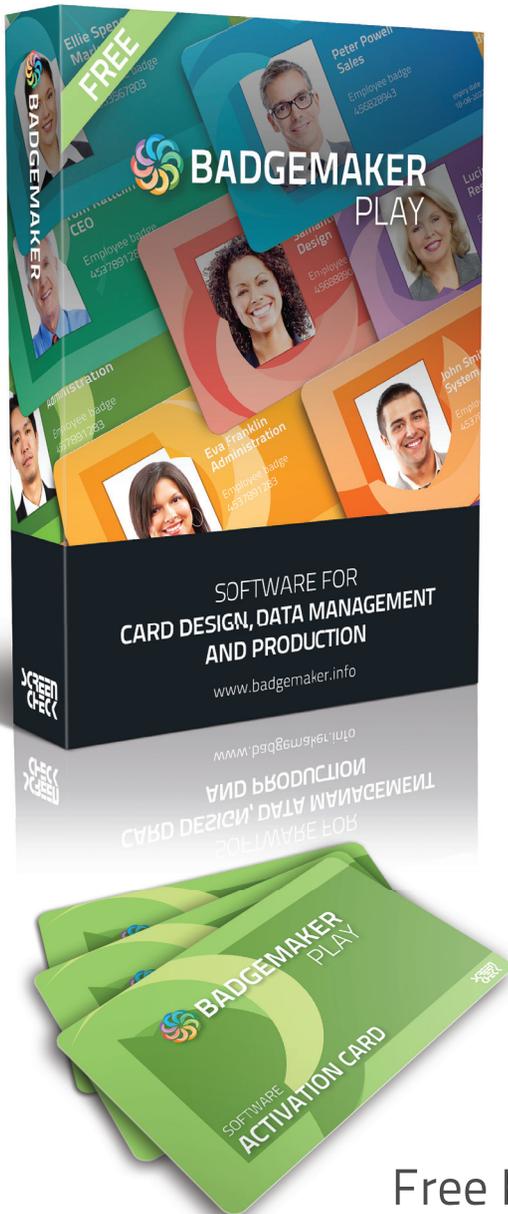

FREE

BadgeMaker PLAY is our free version and a great introduction to learn more about ID software. Start to create your own card designs, manage card data and print your own cards with BadgeMaker.

## Get started with BadgeMaker PLAY:

1. Enter the link on the activation card in your browser, a registration form will appear.
2. Enter your information and register your account.
3. Activate your Licence Key Account using the link in the activation email sent to you after the registration.
4. Login to your License Key Account, your BadgeMaker PLAY license key will appear for you to copy and paste.
5. Now download the software at:  
<http://www.badgemaker.info/downloads>
6. Install the BadgeMaker software and paste your unique license key in the registration pop-up that appears with the start of BadgeMaker.

Thank you for choosing BadgeMaker
