SC4500

The World's most reliable

ID card printer

Secure

To protect the security of your organisation, you need ID cards that can be relied upon. Every card printed on the SC4500's tried and tested platform can be secured with a HoloKote® anti-fraud watermark.

Flexible

Batch print with the interchangeable 100-card feeder or print one-offs or rewritable cards with the hand-feed card slot at the front.

Smart

The USB interface, Ethernet and Microsoft certified, Mac OS X compatible, plug and play driver make the SC4500 easy to install and easy to use. For additional electronic security, both magnetic stripe and smart card in-line encoding options are available.

Adaptable

Available off-the-shelf as single or double-sided, you can also upgrade a single-sided SC4500 to enable duplex printing with a unique drop-in field enhancement.

When it comes to secure and reliable ID card printing, you can trust the SC4500 to deliver.
